Carousel

Within your EPP/district partnership:

1. Read the challenge
2. Discuss a possible strategy that the partnership could implement to meet this challenge
3. Note that strategy on the poster
8 minutes at each challenge

Review and Team Time

- Independently review the brainstormed strategies – 5 minutes
- Meet within your EPP/PK-12 district partnership and discuss (15 minutes):
 - What strategies spoke to the needs in your school community?
 - Are there strategies that you want to pursue?
 - Are there strategies you want to learn more about?

BranchED Closing Circle ...

Speaking from the Heart, Listening with Respect

- Is symbolic
- Represents equality, interconnectedness, and continuity
- Builds community

BranchED Closing Circle

We are going to go around the circle with each person saying one word (or phrase) representing:

- Something they learned here
- The attitude they are bringing to the transformation work
- Something they appreciated about themselves or others
- A song that represents how they are feeling now
- Some area of learning they hope to learn after this convening
