

## Strategies for Involving Stakeholders

Summer Institute: Data Discovery 2025

- ☆ Show them the data- make the case!
- ☆ Show them the potential solution
- ☆ Students and/or parents testimonial (tug at the heartstrings)
- ☆ Organize a resource fair that brings groups together (hosted at a school)
- ☆ Identify student support team (connection with child/family & community)
- ☆ Identify point people from community-based organizations
- ☆ Create an advisory Board
- ☆ Hold an Open House events
- ☆ One-page leave-behind distributed across events
- ☆ Extra!!! Maintain a program completer/alumni directory
- ☆ Multi sessions, smaller group set ups. Personal relationships
- ☆ Offer professional development sessions
- ☆ Collaboration on grants
- ☆ Special education representatives on an advisory board that connects directly with LEA, EPP, accredited bodies
- ☆ Building strong connections with those that provide wrap-around services and deepening relationships within to go outside of our program to provide needs for those with special needs
- ☆ Listening Tour (alumni, districts, students)
- ☆ Alumni: welcome back, open house, and recognize
- ☆ Districts: Induction, professional development, mentoring leadership, and recognition
