DATA DISCOVERY: HARNESSING INSIGHT FOR PROGRAM EXCELLENCE
June 10-12, 2025

The purpose of the institute is to equip participants with practical strategies to analyze and communicate data effectively for continuous improvement. Through guided instruction and hands-on case study work, participants will learn to assess data quality, identify key trends, and lead meaningful, action-oriented discussions with stakeholders. The institute will support the implementation of data-informed strategies to enhance program effectiveness and candidate success within participants' own institutions.
