

Uncovering the Story

Chapters

- Create a table of contents that captures the essence of the assessment story
- Write a summary describing the assessment challenges presented in the case study

Meet the Characters

- Identify the key stakeholders (the main characters) in the assessment story
- Describe their roles, goals, challenges, and influences in this story

Author's Intent

- Discuss the following:
 - What does each character want from assessments?
 - How do they define success?
 - What conflicts arise with other characters?

Missing Pages

- As a group, discuss what pages or chapters are missing from this assessment story?
- Draft recommendations for the co-authors to make revisions and edit
